

BEER CAVE SHELVING

Product Description

The first to develop the Original Beer Cave Shelving, one of our toughest and most heavy-duty shelving system to date, capable of withstanding up to 2700 lbs. of storage capacity (900 lbs. per shelf)! Power-coated in black steel frame, the shelf is chemically and chip resistant – guaranteed to last! Shelves consists of 31 crossbars per foot (twice that as compared to other brands), ensuring products stay in place and don't tip! Easy-to-adjust brackets makes changing shelf positions a snap; and shelves drop easily into slots (adjustable to 27 different heights, 2" increments). U-brackets and adjustable feet provide added stability (casters also available). Available in four different dimensions to suit any storage need!

Changing the way cooler vault products are stored, our shelving systems have earned the highest rating for cold storage from the National Sanitation Foundation (NSF). Ideal for commercial storage (cold-vault and display) and also the home (garage, laundry room, office, workshop). Works in conjunction with our other shelves and dollies for an optimal storage system!
