

EASY-CUT 6000 SERIES

Product Description

Product damage is a persistent issue faced by warehouses and retailers; and commonly, the problem lies in the box/strap cutter. The Easy-Cut range is specially designed to protect your product from damage, ensure the safety of users while opening cardboard boxes and cutting composite straps. Easy-Cut's industrial German-made blade and sturdy handle makes it more durable than other cutters.

Industries Served

- Food and Beverage
- Furniture and Fixtures
- Logistics and Transport
- Order Fulfilment
- Pharmaceutical
- Retail
- Storage and Warehousing

Easy-Cut 6000 brings innovation to a favorable price point cutter. Blade change is as simple as squeezing the trigger and pressing a button. The Patented trigger-in-trigger provides further safety from accidental exposure to the razor sharp blade, so it's a great knife to drop in an apron pocket and not worry about exposed blades.

Key Features

- Ergonomic handle
- Precise single blade setting
- Stops product damage
