## Product Description

Transport heavy, bulky loads on this versatile platform dolly with quality construction and a 2500 lb. load capacity! Sway-back style handles made from 13 gauge steel on both ends of platform provide a firm comfortable grip and improved safety.

Reinforced steel frame, lattice on handles and non-skid surface helps to secure materials on deck. Precision engineered HDPE molded structural plastic also resists rust and corrosion.

Airless 1200 PSI rubber-bonded tires (2 swivel casters, 2 rigid casters) and easy-to-lock braking system ensures optimal steering control and maneuverability. Ideal for warehouses and other commercial environments.

Available in two sizes to accommodate any material transport needs.

## Industries Served

- Aerospace And Defense
- Apparel And Accessory Packaging
- Electronics
- Hardware and Fasteners
- Healthcare
- Hobby and Craft
- Household Products
- Personal Products
- Pet Products
- Toys
