

VAULT SHELVING

Product Description

Consisting of 31 crossbars per foot, this heavy-duty steel frame and power-coat shelves offers a 250 lbs storage capacity.

Featuring a unique numbering system on the vertical posts allows for a quick and accurate shelf alignment.

U-brackets and adjustable feet can be used to further enhance stability. NSF approved, this shelving system is ideal for commercial storage (i.e. cold vault and display) and home (i.e. garage, laundry room, office, and workshop).
